FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and all applicable, adopted rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving a medical fee dispute.
2. 28 Texas Administrative Code §134.204 sets the reimbursement guidelines for the disputed service.
3. 28 Texas Administrative Code §134.600 requires preauthorization for specific treatments and services. The services in dispute were reduced/denied by the respondent with the following reason codes:
 - BL-Additional allowance is not recommended as this bill was reviewed in accordance with state guidelines, usual and customary policies, or the provider's PPO contract.
 - BL-This bill is a reconsideration of a previously reviewed bill, allowance amounts do not reflect previous payments.

Issues

Is the requestor entitled to additional reimbursement?

Findings

28 Texas Administrative Code §134.204(h)(1)(A) states "(A) If the program is CARF accredited, modifier "CA" shall follow the appropriate program modifier as designated for the specific programs listed below. The hourly reimbursement for a CARF accredited program shall be 100 percent of the MAR."

28 Texas Administrative Code §134.204(h)(5)(A) and (B) states "The following shall be applied for billing and reimbursement of Chronic Pain Management/Interdisciplinary Pain Rehabilitation Programs

(A) Program shall be billed and reimbursed using CPT Code 97799 with modifier "CP" for each hour. The number of hours shall be indicated in the units column on the bill. CARF accredited Programs shall add "CA" as a second modifier.

(B) Reimbursement shall be \$125 per hour. Units of less than one hour shall be prorated in 15 minute increments. A single 15 minute increment may be billed and reimbursed if greater than or equal to eight minutes and less than 23 minutes."

The Division finds that the requestor billed CPT code 97799-CP-CA for 26.25 hours on the disputed dates of service. Therefore, per 28 Texas Administrative Code §134.204(h)(1)(A) and (5)(A) and (B), the MAR for a CARF accredited program is \$125.00 per hour. $\$125.00 \times 26.25 \text{ hours} = \$3,281.25$. The carrier paid \$2,625.00. Therefore, the difference between the MAR and amount paid is \$656.25. This amount is recommended for reimbursement.

Conclusion

For the reasons stated above, the Division finds that the requestor has established that reimbursement is due. As a result, the amount ordered is \$656.25.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code Sections 413.031 and 413.019 (if applicable), the Division has determined that the requestor is entitled to additional reimbursement for the services involved in this dispute. The Division hereby ORDERS the respondent to remit to the requestor the amount of \$656.25 plus applicable accrued interest per 28 Texas Administrative Code §134.130 due within 30 days of receipt of this Order.
